ADVERTISING OPPORTUNITIES

There are two cost-effective ways to advertise with TRENDS Apparel:

- Our popular **Show Guide** is distributed to roughly 1000 retailers and the 180+ association members a couple of months before the show, plus to new registrants at the show. Buyers use the guide to help them plan and navigate their time at the show, and they often keep it as a reference resource afterwards.
- **Digital Ads** on our website will circulate through approximately 10 spots on the site and will be active for 6 months at a time. Social media accounts help drive traffic to the site.

(Google Analytics for the period of Sep 19, 2017-Sep 19-2018 reports 19,251 visitor sessions from 12,138 users, viewing an average of 3.65 pages per session and having an average session duration of 3:24. Approximately 20% are returning visitors and 80% are new visitors. Bounce rate of 45.4% and total page views of 70,256. 74.11% of users are in Canada, 15.54% in U.S.)

OTHER BENEFITS

Advertising funds help produce the show guide and keep exhibiting costs reasonable for our members. We are a not-for-profit organization, with the goal of benefiting the Western Canadian wholesale apparel industry by bringing reps and retailers from all categories together under one roof. Advertising is an important component of our operating budget. We thank you for your support!
