ADVERTISING OPPORTUNITIES

There are two cost-effective ways to advertise with TRENDS Apparel:

- Our popular **Show Guide** is distributed to roughly 700 retailers and the 175+ association members at least a month before the show, plus to new registrants at the show. Buyers use the guide to help them plan and navigate their time at the show, and they often keep it as a reference resource afterwards.
- **Digital Ads** on our website will circulate through approximately 10 spots on the site and will be active for 6 months at a time. Digital ads will be promoted through a social media posting as well.

OTHER BENEFITS

Advertising funds help produce the show guide and keep exhibiting costs reasonable for our members. We are a not-for-profit organization, with the goal of benefiting the Western Canadian wholesale apparel industry by bringing reps and retailers from all categories together under one roof. Advertising is an important component of our operating budget. We thank you for your support!
